Oral examination (module 8/9/10) in Sept-Nov 2026

### Second academic year

- Internship: Full time (six months), part time (accordingly longer)
- Master's thesis (2 + 6 months + 4 weeks)

## Study paper § 11 (3) and § 19

- For modules 1, 4, 7, 11, 12, a study paper must be passed, for module 6 there will be a projekt work; the grade is the overall grade of the respective module.
- Submission of the study paper in due time, normally within four weeks (in accordance with the studyplan)
- Each study paper comprises a minimum of 4 and a maximum of 15 A4 pages.
- Language: English

## Aim of study papers § 19 (1)

In study papers, the student should demonstrate that he/she can independently work on a limited topic of the module.

Present it in writing in a manner appropriate to the requirements of science (good scientific practice).

## **Repetition of study paper**

### **§ 16 (1, 2)**

- An examination with a grade of  $\leq 4.0$  is deemed to have been passed. In case of failure, a new topic will be provided.
- Two repetitions are possible. If you fail three times, it leads to exmatriculation.

### **§ 16 (3)**

- A module examination graded at least 'sufficient' cannot be repeated. It is therefore not possible to improve grades.
